

Are INJECTABLES Right for Me?

Are you a candidate for injectables, like Botox or Juvéderm? You just may be! These two treatments, while very different, can help shave years off your appearance, give you a well-rested look, and diminish the appearance of lines and wrinkles. If you've been considering injectables, here's a handy chart to help you make that final decision.

If you answered YES to any or all of these questions, then injectables may be right for you. **Give JdV a call to schedule your FREE skin consultation.**
